PRICE

The price of the entire tour, from New York, June 26, back to Boston, August 29, is $535, including both steamship passages at the $90 rate.

Price to Liverpool, August 14, thence to Boston by twin-screw steamship of Leyland Line, $465, including outward passage at $90 and homeward at $80.

More or less expensive steamship accommodation can be had upon payment or refund of the difference in rate.

The return steamship ticket is good for its face value on the steamers named and also on any others belonging to the prominent Transatlantic Lines. It is available for one year from date of leaving America.

We refer you to the General Conditions of Our Tours, pages 38–40.
